Safeguarding

As we continue to work with our Early Help coordinator we have the below drop in sessions available over the next couple of months. As part of our prevention and early help offer, we have Family Hub areas across the Bradford district. The sessions are designed to discuss any concerns with; Benefits, Housing, Domestic Abuse, Parenting, Mental Health, Education Issues and our 2-year offer.

Careers Education Update

The Dixons Trinity careers programme aims to provide all students with regular access to employers, expert guidance and workplace experiences to support students in making informed and educated decisions about their next steps.

Each half term we will share with you helpful resources and upcoming events for your calendar. If you have any questions or would like a conversation about how you can support your child with careers education, please contact our Careers Pioneer, Chloe Harris on charris@dixonsta.com.

Can you help?

We are always looking to invite employers from different sectors to come in and work with our young people. If you are interested in hearing more about the opportunities that you could get involved in, please get in touch with our Careers Leader at careerseducation@dixonsta.com

We asked our outgoing Year 11 Head Students to give a brief reflection of their time with us at Trinity:

'I feel like there can never be a limit to what a secondary school student can accomplish in such a short time; my journey as Head Girl proves how determination, passion and benevolence are enough to make significant changes. I enjoyed working with staff members and students to make Trinity a better place and hope that future year groups can have the opportunity to experience unique and memorable events.'

Aya Ouaouinat

'I have been one of the Head Students at Dixons Trinity Academy this year, and I am here to talk to you about the wonderful experience that Trinity has brought to me as a student. During my time here I was absolutely astounded by the extremely high level of academic rigour and success. Furthermore, I would highly recommend all students who are aspiring to increase their confidence to take part in Student Leadership, which is a fair and open opportunity to everyone to contribute to our value of purpose and involves working with various students to increase the success of this thriving school.'
