

Homework

In addition to their standard weekly homework in the EBacc subjects, Year 7 and Year 8 students are expected to complete an independent 'stretch project' in cycles 1 and 2 (13 weeks). Students should spend around 1½ hour on their stretch project each week. Projects are assessed through a student exhibition at the end of each cycle.

All students in the academy are given homework in the EBacc subjects every week (i.e. English, mathematics, science, humanities and MFL). Key Stage 4 students will also receive homework in RE and their option subject. Occasionally Key Stage 3 students may receive homework in Art, DT, Computing and RE.

Types of homework

100% sheets are used for the daily homework which is set in Morning Meeting. Students should use look, cover, write, check to learn the content of a given section of their 100% book. They are expected to fill a sheet of A4 paper from top left to bottom right, with no gaps, using this method. A green pen should be used to check they have recalled the information correctly.

Additional homework may be set by subject teachers where appropriate.

Stretch projects

Students will complete 4 stretch projects over Key Stage 3. The themes for the stretch projects are:

- Who am I? – **Year 7 Cycle 1**
- Making a change – **Year 7 Cycle 2**
- Aspirations – **Year 8 Cycle 1**
- Political – **Year 8 Cycle 2**
