

Careers and Curriculum Links – Computing

	Cycle 1	Cycle 2	Cycle 3
Year 7			Careers as a website designer. Look at differences between designer and coder and qualifications/skills needed for each
Year 8	Careers in cyber security – how majority of crimes are online and therefore security services are employing more cyber security specialists		Visit could be planned to Media Museum in Bradford to see the Games exhibition and how computer games have developed over time
Year 9	Visit can be planned to Bletchley park, Museum of Computing. This will set a good foundation to importance of computing		Local software companies invited to speak to students about careers in Computing
Year 10	Potential to get in touch with Media Studies department at University of Bradford. Arrange a student tour at the department		

- 1) When do you make explicit links in lessons to a particular career that the subject matter/skills are relevant to? (Gatsby Benchmark 4 – Linking curriculum learning to careers)
- 2) What opportunities have been planned/could be planned to invite employers/businesses in that would make students more aware of employment opportunities in your field? (Gatsby Benchmark 5 - Encounters with employers and employees)
- 3) Do you/could you run any expeditions that expose students to potential employment routes/employers? (Gatsby Benchmark 6 - Experiences of workplaces)
