

March 2026

Dear families

Culture Day – Thursday 26 March

On Thursday 26 March, students are invited to wear cultural clothing as we celebrate Culture Day. Anything worn by students must be appropriate for school and respectful of all cultures. We understand cultural clothing may include accessories, so we ask families and students to choose these sensibly.

Students wearing an item of cultural clothing should ensure this does not have any logos or branding (tracksuits are not to be worn) and clothing should be school-appropriate, as per our usual expectations for uniform.

If your child is unsure about an item of clothing they would like to wear, they should speak to their Head of Year ahead of the day. The item of clothing we ask our students to wear is something they may consider suitable for a special event.

We are looking forward to this opportunity to celebrate the diversity within our community.

Yours faithfully

Thomas Hailwood
Acting Principal
