

September 2023

Dear families

As you know, the safety of our students on their journey to and from school is of paramount importance to us. If you do have to drive to bring your children to school, and walking is not an option, we would ask that you are particularly careful in the use of Trinity Road. It is important that families adhere to the one-way system put in place by Bradford Council, drive at a speed that is safe for our students and do not double park in a way that would prevent emergency services having access to the schools and residential homes along the road.

Although we do not have legal jurisdiction over the road itself, we would ask as families of our school community that you support us in this measure to protect our children. However, if you notice any unsafe behaviour and would like to report this formally please use this link: <https://www.westyorkshire.police.uk/report-it/report-nuisance-obstructive-parking>

Yours faithfully

Emma Steele
Principal
