

April 2023

Dear families

To support all students, some changes are going to be made in relation to the groupings for Year 7. Groups for most lessons will stay the same, however, for some subjects, students will be placed into a new group. The subjects where students will be in a new group are English, mathematics, Spanish, history and RE. The new groups 1 and 2 will be slightly larger, allowing more students to be placed into those groups.

Year 7 will be given new timetables and full information on the plan on Monday morning. If you have any questions, please contact reception in the usual way.

Yours faithfully

Emma Steele
Principal
